November 2006

Foreword

The proceeding is a produced from papers collected during the the Mini Workshop of Southeast Asia Germany Alumni Network (SEAG) on the topic of : "Development of Animal Health and Production for Improving the Sustainability of Livestock Farming in the Integrated Agriculture Systems" held in Bogor-Indonesia on April 25-26th, 2005

Nineteen selected papers were presented in this proceeding from 33 participants which coming from 13 universities in Indonesia and 1 from Thailand.

We would like to highly appreciate and deeply thanks to DAAD for the financial support as a main sponsorship in this Mini Workshop that it made the program very successfully conducted. The same thing is also going to SEAG-Indonesia who fully supported this event as one of their scientific program.

Finally, we would like to thanks to all Steering and Organizing Committee who work very hard for the symposium including the preparation and finalization of this proceeding.
